MESSAGE

— PRESIDENT'S MESSAGE —

"Entertainment (Having Fun)" is sometimes seen as a worthless aspect of social life.

However, the act of playing adds color to our daily lives,
and we believe that it is a wonderful thing that enriches our soul.

Additionally, the joy and spiritual fulfillment of enjoying the entertainment "together"
with others will greatly expand and become a treasured part of our life.

“People always enjoy having fun. And people have fun together with others.”
Our corporate philosophy was born from this belief.

DARTSLIVE has grown into a leading darts company by
promoting all areas of darts-related business since its inception in 2003.

Friends who love to have fun together have gathered together,
and have continued to take "Having Fun" seriously for 20 years.

We will continue to make the most of our accumulated strengths to “Create ! to Make the World Go↑.”
